

Hotel Yorba

[C] [C] [C] [C]

White Stripes 2001

I was [C]watching with one [F]eye on the other side
I had [G]fifteen people telling me to move I had [C]moving on my mind
I found [C]shelter in some [F]thoughts turning wheels around
I've said [G]39 times that I love you to the [C]beauty I have found

*Well it's [C]one, two, three, four take the elevator
At the [F]Hotel Yorba I'll be glad to see you later
[G]All they got inside is vacan[C]cy [F] [C]*

[C]I've been thinking by a little [F]place down by the lake
They've got a [G]dirty old road leading up to the house
I [C]wonder how long it will take 'till we're alone
Sitting on the [F]front porch of that home
[G]Stomping our feet on the wooden boards
[C]Never gotta worry about locking the doors

*Well it's [C]one, two, three, four take the elevator
At the [F]Hotel Yorba I'll be glad to see you later
[G]All they got inside is vacan[C]cy [F] [C]*

[C]It might sound silly for me to think [F]childish thoughts like these
But [G]I'm so tired of acting tough I'm [C]gonna do what I please
Let's get married in a big [F]cathedral by a priest
Because if [G]I'm the man that you love most
You [C]can say I do at least

*Well it's [C]one, two, three, four take the elevator
At the [F]Hotel Yorba I'll be glad to see you later
[G]All they got inside is vacan[C]cy
And it's four, five, six, seven grab the umbrella
And [F]grab hold of me 'cause I'm your favourite fella
[G]All they got inside is vacan[C]cy [F] [C] [F] [C]*
