

Three Little Birds

Bob Marley

Don't **[C]** worry about a thing, **[C7]**
'Cause **[F]** every little thing gonna be all **[C]** right
Singin' don't worry about a thing, **[C7]**
'Cause **[F]** every little thing gonna be all **[C]** right

Rise up this mornin', smiled with the **[G]** risin' sun,
Three little **[C]** birds pitch by my **[F]** doorstep
Singin' **[C]** sweet songs of melodies **[G]** pure and true,
Sayin', **[F]** this is my message to **[C]** you-ou-ou

Repeat 3 times
